

Modern-Day Dream Board

Use your gifts and talents to make your dreams come true!

You've heard of this little app called Pinterest, right?

Well, consider it your new poster board... A powerful search engine to find all the images that represent your dream life.

The first thing you need to upscale your vision board efforts is a Pinterest account. Here's the link: <https://www.pinterest.com/>.

You get to create boards on Pinterest. You can choose from two dream board options:

#1 Create the Mother of All dream boards

Pin *everything* you desire onto ONE Pinterest board labeled "My Dream Board."

OR

#2 Create a My Perfect Day dream board

- Movement Practice
- Doing Dream Job
- Dream House
- Kids
- Dogs
- Grandkids

- Food
- Health

Imagine what your dream day is like from the time you wake up until the time you go to bed and Pin it all!

Pinterest is an easy, free, and limitless way to bring your dream board along with you into the 21st century.

Plus, new pins are added all the time so you can continually add to your creation.
